SURVIVING

An Active Shooter Event

“Active shooter”—unfortunately, it’s both a common phrase in the news these days and an event that most people would benefit from being prepared for.

In this course, you’ll gain real-life knowledge from law enforcement professionals who are regular instructors of active shooter training programs. Topics include:

- Tactics for handling active shooter incidents
- How to take a proactive role (as opposed to being a powerless victim)
- Essential survival skills
